February 26th : M.E.S. School winter Carnaval

From your Principal: Fanny Boulais

Dear families,

It is hard to believe that we have passed the halfway point of the year. Students are settled in routines and understand our school-wide expectations and rules. We will continue to reinforce the respect of the school rules. February 15th to 19th is Quebec's School Perseverance Week. Take the time to acknowledge the efforts of your child. Let's keep up the good work on being kind and respectful to one another in addition to keeping high expectations in the learning. February 1st to 7th is Teacher Appreciation Week. Again, I would like to say thank you to my school team for their efforts and energy they provide daily for our students.

Coming up in February:

Photo contest #2 Categories: 1. action 2. love 3. danger 4. something colourful 5. something small 6. something handmade 7. friends 8. family 9. pets 10. winter.
